Summary

Hi, I'm Arda. I am a student at Işık University, Department of Management Information Systems. I am looking for an opportunity that will allow me to combine my passion for Software Development and IT and start a career in the tech industry. I enjoy working with different people and creating solutions to difficult problems.

Experience

● Işık University
Student Assistant
2022-2023

Projects

- Recipe Site
Recipe Site Using Flask and SQL
[🌐 https://github.com/arda-irdep/Recipe-Site](https://github.com/arda-irdep/Recipe-Site)
- Password Generator
Pseudorandom password generator made with Python
[🌐 https://github.com/arda-irdep/Python-Passord-Generator](https://github.com/arda-irdep/Python-Passord-Generator)
- Linktree Clone
Linktree clone made with HTML and CSS
[🌐 https://github.com/arda-irdep/linktree-clone](https://github.com/arda-irdep/linktree-clone)
- Portfolio Website
Portfolio website made with HTML and CSS
[🌐 https://arda-irdep.github.io/](https://arda-irdep.github.io/)

Education

● Işık Üniversitesi
Management Information Systems
October 2021 to June 2025 (Expected)
Activities and societies: Işık IEEE, IT&MIS, Işık Siber Kulübü

Skills
